Guidelines for Internship/Project Presentation

1. Students will have to give PowerPoint Presentation in front of the board where s/he will be assigned to. Students are suggested to have a backup file of slide in their email so that in case of emergency they can collect it from email.
2. Each presentation's duration will be followed by a Question & Answer (QA) Session.
3. IDs of allotted students under each board will be announced on the day of defense.
4. Academic Supervisors are kindly requested to contact their respective students and let them know about the defense schedule and guidelines.
5. The Internship/Project Defense Schedule for both programs are given below:
